ABOUT

Stonemill Office Park is an upmarket office park set in a 34 500 natural park environment situated in the middle of Darrenwood, Randburg. The office park is set amongst indigenous trees teeming with bird life and small wildlife and offers tranquil rest areas.

Offices can be built to your requirements, and all have access to backup power and water with 24-hour security patrols and secure basement and open parking for visitors and staff.

Quick and easy access to Cresta Mall contributes to the office park's convenient location. With easy access to Beyers Naude and Republic Road, public transport is readily available. Easy access to the highways and other business hubs make this an ideal office park for your business.

Office space ranging in size from 50m² to 6 500m²
